

THURSDAY EVENING, MAY 11, 1882.

DEFERRED LOCAL ITEMS.

A new water pipe, to run from the main pipe is being put down by the Alexandria Water Company on Queen Street, to extend through St. Asaph street.

For several days past machinery from Massachusetts for a large cotton factory in Charleston, S. C., has been passing through here over the Virginia Midland railway.

Mr. B. F. Price, who has received the contract, will shortly commence the building of four large dwelling houses and a stable in Washington, for Mr. R. Porter, of this city.

At a meeting of Golden Light Lodge of Good Templars, Tuesday night, there was some discussion in reference to the publication of the name of the over zealous young man, Devaughn, who reported a saloon keeper for violation of the Sunday law. The whole discussion seemed to be based upon the idea that the publication was intended to injure the Reform Club and the temperance cause in general. Of course the idea was a false one, for no reasonable man would hold an organization responsible for the act of an unauthorized member; but no matter, here is about the substance of the talk indulged in. One member thought it was unjust to say the informer belonged to the Reform Club, as it was putting upon the Club an undesired reproach. Another said that the name of the saloon keeper, as well as the name of the informer ought to have been published. A third member said he gloried in the spunk of the informer, as the saloon keeper had sold whiskey to his brother. A fourth member declared that neither the Church, the Reform Club nor Golden Light Lodge was responsible for a man going into a bar room on Sunday and coming out and reporting the keeper of the place. The lodge took no action whatever in the matter, and it is understood that the temperance organizations in the city are opposed to their members making informers of themselves.

Disease is an effect, not a cause. Its origin is within; its manifestations without. Hence, to cure the disease the cause must be removed, and in no other way can a cure ever be effected. **WARNER'S SAFE KIDNEY AND LIVER CURE** is established on just this principle. It realizes that all diseases arise from deranged kidneys and liver, and it strikes at once at the root of the difficulty. The elements of which it is composed act directly upon these great organs both as a food and restorer, and, by placing them in a healthy condition, drive disease and pain from the system. For the innumerable troubles caused by unhealthy Kidneys, Liver and Urinary Organs; for the distressing Disorders of Women; for Malaria, and for physical derangements generally, this great remedy has no equal. Beware of imposters, imitations and concoctions said to be just as good. For Diabetes, ask for **WARNER'S SAFE DIABETES CURE**. For sale by all dealers.
